Golf Grass

- ▶▶ We offer a wide selection of other golf related products that include artificial fairway turf. This product is a real winner for golf courses if you are looking for a product that perfectly replicated natural grass fairway while keeping its maintenance at minimal costs!
- ▶▶ Our golf grass is perfect solution for all weather fairways which keeps its perfect lush look all around the year..

Score Grass made the true revolution in the world of GOLF.

Hockey Grass

- ▶▶ The benefit of a turf hockey field is the ability to think ahead for moves with better accuracy.
- ▶▶ The ball will roll in a much more predictable way on a Score Grass turf field, so advanced moves used to pass the ball or get around defenders have a greater chance of succeeding.
